

NinerReady Preparedness Pack Checklist

The NinerReady Preparedness Pack Checklist acts as a guide to help you prepare for emergency situations. The checklist is not a one-size-fits all resource. Please note that individuals must review this list and determine which items are needed for an emergency. You may add or subtract items as needed to fit your own essential requirements.

- Bottled water
- First-aid kit
- Non-perishable food/snacks (*and the utensils required for opening/using*)
- Battery-powered radio (with extra batteries)
- Flashlight or light source (with extra batteries)
- Cell phone/portable charger/battery pack
- Whistle to signal for help
- Filter mask or cotton shirt/cloth to help filter the air
- Wipes
- Multi-functional tool (no edged weapons)
- Unique needs, such as prescription medication and/or important family documents, cash, etc.
- Rope or paracord and duct tape
- List of important phone numbers and emergency information such as evacuation routes and rally points.
- Blanket or sleeping bag
- Personal Items: change of clothes, toiletries

**Please note that this checklist does not guarantee that you will be completely prepared for every emergency situation nor does it guarantee that you will not face challenges or difficulties during an emergency situation. However, assembling this checklist (along with training) will increase your personal preparedness and resilience to an emergency situation.*
